

Anytime is a great time to visit Adobe Road Winery in charming downtown Petaluma. Open daily, the welcoming tasting room is close to just about everything, making Adobe Road the perfect getaway for a fun-filled wine

tasting experience. The small-lot producer is one of the hottest boutique wineries in the industry, crafting award-winning wines from premier vineyards in Sonoma and Napa counties, including the new Petaluma Gap American Viticultural Area. You'll discover a world of delicious wine as you explore Adobe

Road's versatile tasting menu. The Reserve Tasting includes the winery's flagship rich, luxurious cabernet sauvignons — always a highlight.

Petaluma's dynamic culture, cool vibe, historic architecture and old world charm are within easy reach of San Francisco and Sacramento, making a day trip to the area a breeze. Ride the SMART Train — the depot is just steps away. Adobe Road's roots are firmly planted in Petaluma. Founders Kevin and Debra Buckler are among the city's original wine pioneers. Kevin is a champion race-car driver and his legendary sportscar racing team is located here. Next year, the two worlds will merge into an exciting wine tasting and event center on the vibrant downtown waterfront.

KEEP A LOOK OUT

Adobe Road's award-winning artisan wines are gaining more and more acclaim across the country every day. The winery is proud to be prominently featured on pages 4 and 5 of the newest Petaluma Visitor Magazine. This travel-focused, editorial publication has a print run of over 60,000 copies and will be distributed at locations across the Bay Area and beyond. The magazine provides us with a great piece that will help us to introduce even more new consumers and distributors to our brand, while touting all of the fun and adventurous things to do in our unique hometown... with Adobe Road leading the way!
