

2016
SPARKLING
Rosé

Sonoma County

This bubbly blend focuses on Zinfandel, Grenache, and Syrah. Bubbles enhance the creamy strawberry mouthfeel and accentuate the red fruit-driven aromas. This is a wine to savor, to BBQ with, to drink on any day that needs a little extra sparkle!

Here's the back story: While making rose wine this year I was talking with our good neighbors and Petaluma brewery powerhouse about carbonation and making liquids sparkle. As happens, one thing leads to another and I'm bringing rose samples next door, performing micro-sparkling wine trials using brewery tools! After lots of good advice and experiments I perfected the blend and method to enhance our fantastic rose wine; transforming it into an incredible sparkling treat! As with any special release, quantities are extremely limited and available on a first come first served basis. Stop in our Petaluma tasting room or call the winery to order!

Alcohol 12.5% by volume
