VIOGNIER

DRY CREEK VALLEY—FAMIGHETTI VINEYARDS

ADOBE ROAD
WINERY
SMALL LOT *Handcrafted* WINES

TASTING NOTES

This Viognier opens with floral accents of honeysuckle and fresh cut tropical fruits. On the palate, butterscotch flavors mix with ripe white peach. The long finish echoes floral and vanilla details.

WINEMAKER'S NOTES

Viognier winemaking is all about waiting for the perfect mix of ripe fruit and ripe skins. Gently extracting the most from the flavor-packed skins as the clusters are pressed—makes for juice with the potential to express the most unique range of floral and tropical aromas. Barrel fermentation in new and used vessels adds to the complexity along with lees aging.

THE VINTAGE

2018 vintage allowed for picking at the perfect moment. Throughout Sonoma County and Napa, moderate weather led to perfectly ripe grapes. As always, the quality work of our vineyard partners set the stage for incredible wines to be made!
