

# ADOBE ROAD WINERY

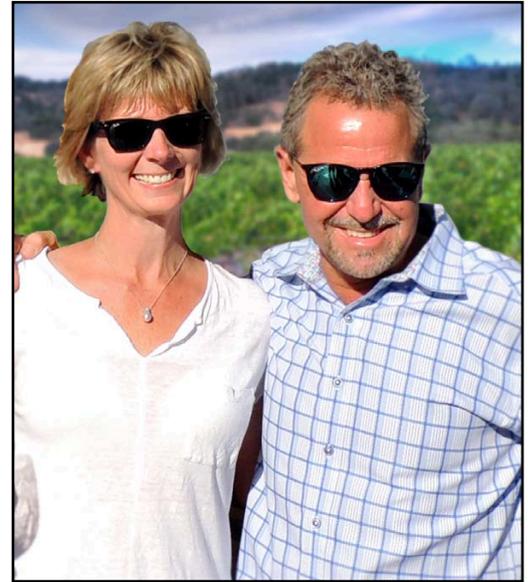

SMALL LOT *Handcrafted* WINES

## Our Family Kevin & Debra Buckler

Kevin Buckler likes to build things. A successful entrepreneur and professional driver, Kevin is the owner and founder of The Racers Group (TRG), TRG-Aston Martin Racing and Adobe Road Winery. As a driver and owner, Kevin's accomplishments include one overall win and 4 class wins at the Rolex 24 Hours of Daytona, a win at the prestigious 24 Hours of Le Mans, and the title of 2002 Porsche World Cup Champion, as well as wins at most of the major motorsports circuits in North America.

Kevin founded TRG in 1992 and has driven its growth since then, competing at the top levels of motor racing for over 20 years. The team has become the most successful privateer team in professional sports car racing, but also has also competed in the ARCA, the NASCAR Camping World Truck Series, and the NASCAR Sprint Cup Series. In 2013, TRG continued its storied tradition by forming TRG-AMR and assuming the reins of the Aston Martin Racing program for North America.

Kevin balances this love of speed with another driving passion—wine. Kevin takes the same painstaking preparation and attention to detail used in his auto racing ventures and applies it to the careful and meticulous crafting of his Adobe Road wines. With his wine team, he spends countless hours in the vineyard and the winery to create elegant, balanced wines with intense fruit and great regional character. He participates in all final winemaking decisions and is frequently seen with a row of sample glasses on his desk.

An active outdoorsman and athlete in multiple sports, a passion to be the best drives Kevin in everything he does, but he enjoys nothing more than spending time with his friends and family, especially his wife Debra and three daughters KT, Alysa and Kelly.

Over the past decade, Kevin has transformed a corner of Petaluma into a state-of-the-art winemaking facility. As you can imagine, the facility has a complete collection of the latest equipment—everything the team needs. That's Kevin's philosophy—source the best grapes, hire the right people, and give them everything they need to succeed. Like his race shops, the winery is spotless. It looks more like an operating room than a cellar, because Kevin believes that every little thing matters, even how you clean the floor. Not surprisingly, Adobe Road Winery is collecting medals, awards, and accolades from around the country. The wines are doing very well. Kevin wouldn't be satisfied with anything else. He doesn't make the wines just for awards, he makes them because he loves to share great wine with his family and friends.
